SUBJECT INDEX

Volume 28

A

Abnormal Papanicolaou results, coping with, 283
Acquired immune deficiency syndrome, fatigue in women with, 193
Adhesive removal, from neonatal skin, 241
Adolescent mothers
  early intervention programs for, 51
    factors influencing sexual behavior of, 493
    physical abuse, social support, self-care, and pregnancy outcomes in, 377
  pregnancy and substance use in, 623
Adoption, postadoptive reactions of relinquishing mother in, 395
Advanced practice nurses, legal issues for, 320
Alcohol, in adolescent pregnancy, 623
Allergy, seminal plasma protein, 359
Alph577 adrenergic receptor blockers, pharmacology of, 649
Amenorrhea, hormonal agents for, 545
Amoxicillin, for obstetric, gynecologic, and perinatal infections, 639
Analgesics
  during breastfeeding, 554
  lack of research on, 477
Androgen receptor blockers, in gynecology, 545
Androgens, in gynecology, 545
Angiotensin converting enzyme inhibitors, pharmacology of, 649
Angiotensin receptor blockers, pharmacology of, 649
Antianxiety drugs, during breastfeeding, 554
Antibacterial agents, during breastfeeding, 554
Antibiotics
  during breastfeeding, 554
  for obstetric, gynecologic, and perinatal infections, 639
Antiestrogens, in gynecology, 545
Antihypertensive drugs, pharmacology of, 649
Antimicrobial agents, in obstetric, gynecologic, and perinatal infections, 639
Aspiration, during labor, 507
Assisted reproduction, informed consent in, 331
Assisted ventilation, skin-to-skin care for preterm infants requiring, 157
At-risk infant, strategies to protect, 33
Axillary temperature measurements, neonatal, 389
Azithromycin, for obstetric, gynecologic, and perinatal infections, 639

B

Barbiturates, effects of use during childbirth, 477
Bathing, in neonatal skin care, 241
Beliefs, sexual behavior and, 493
Beta adrenergic receptor blockers, pharmacology of, 649
Beta-lactams, for obstetric, gynecologic, and perinatal infections, 639
Birth control products, during breastfeeding, 554
Birth mother, reactions of to relinquishing infant, 395
Birth-related fatigue, in preterm neonate, 94
Blood, residual on infant stethoscopes, 143
Bottle supplementation, for preterm infants, 264
Breach of duty, in neonatal nursing, 320
Breast engorgement, relief of for Sabbath-observant Jewish woman, 365
Breast milk, drugs and, 554
Breast pumps
  selection of, 417
  uses of, 417
Breastfeeding
  of at-risk newborn, strategies to protect, 33
  home visit education program for, 480
  immunizations during, 534
  maternal medication use and, 554
  methadone treatment during, 615
  in preterm infants, 264
  selecting breast pumps for, 417
Bromocryptine, in gynecology, 545
Bronchopulmonary dysplasia, neonatal respiratory technology for, 443

C

Cabergoline, in gynecology, 545
Calcium, risks and benefits of, 520
Calcium channel blockers, pharmacology of, 649
Carboprost, uterine motility and, 628
Central acting alpha agonists, pharmacology of, 649
Cephalosporins, for obstetric, gynecologic, and perinatal infections, 639
Cervidil Vaginal Insert, uterine motility and, 628
Cesarean section
  maternal fatigue and risk of, 175
  in nulliparous women, 371
Chaplain, in health care team, 137
Charge nurse, professional accountability and legal liability of, 300
Childbearing fatigue, assessment of, 74
Chronic obstructive pulmonary disease, fatigue in women and men with, 201
Cigarette smoking, in adolescent pregnancy, 623
Ciprofloxacin, for obstetric, gynecologic, and perinatal infections, 639
Clarithromycin, for obstetric, gynecologic, and perinatal infections, 639
Clindamycin, for obstetric, gynecologic, and perinatal infections, 639
Clinical monitoring, versus diagnostic testing, 433
Clinical practice, electronic fetal monitoring in, 409
Clomiphene, in gynecology, 545
Cocaine, in adolescent pregnancy, 623
Colposcopy, after abnormal Papanicolaou results, 283
Communication strategies, for intrapartum nurses, 579
Congenital abnormalities, fetal surgery for, 427
Consent, informed, 331
Continuing education, perinatal care, 486
Continuous positive airway pressure, in neonatal critical care, 443
Controlled drugs, issues in prescribing of, 513
Coping strategies, for abnormal Papanicolaou results, 283
Cord Rating Scale, 501
Cromolyn vaginal cream, for seminal plasma protein allergy, 359
Cultural practices
  communication and, 579
  relief of breast engorgement and, 365
Cystic adenomatoid malformation, fetal surgery for, 427
Cytotec, uterine motility and, 628

D

Data, outcomes and, 433
Decision-making, in treating fetal abnormalities, 427
Delivery, effects of heavy analgesia and sedation during, 477

Demographic factors, in first trimester health behaviors, 606
Diagnostic testing, versus clinical monitoring, 433
Diaper dermatitis, care of, 241
Diet
in health promotion, 520
restricted during labor, 507
Dinoprostone PGE2, uterine motility and, 628
Diphtheria vaccine, 534
Diuretics, pharmacology of, 649
Documentation, in reducing malpractice risk, 291
Domestic violence, asking about, 353
Dopamine agonists, in gynecology, 545
Doxycycline, for obstetric, gynecologic, and perinatal infections, 639
Drug use
motivation for in adolescents, 623
during pregnancy, 615
Drugs
during breastfeeding, 554
issues in prescribing of, 513
uterine motility and, 628
Dysfunctional uterine bleeding, hormonal agents for, 545
Dystocia, nurse labor support versus oxytocin for, 371

E
Editorials
on advertising principles, 121
on interns, 225
on learning to ask, 353
on managing care, 11
on nursing shortages, 473
on reviewer of the year, 577
Education
maternity nursing curriculum, 127
maternity nursing (letter), 355
new pedagogy in, 127
for perinatal care, 486
on SIDS risk, 68
Electronic fetal monitoring
reliability, validity, and efficacy of, 409
teaching nursing students to evaluate, 237
Endometriosis, hormonal agents for, 545
Energy, longitudinal changes in during pregnancy and postpartum period, 183
Ergots, uterine motility and, 628
Erythromycin, for obstetric, gynecologic, and perinatal infections, 639
Estrogen
gynecologic use of, 545
in oral contraceptives during breastfeeding, 554
Estrogen-receptor estrogens, 545
Ethics
of assisted reproduction, 331
of prescribing drugs, 513
Exercise, postpartum well-being and, 41
Extracorporeal membrane oxygenation, in neonatal critical care, 443

F
Family
effects of on perinatal loss, 151
young women's sexual risk perceptions and, 60
Family-centered perinatal care, technology and, 401
Fasting, during labor, 507
Fatigue
birth-related, 94
with chronic obstructive pulmonary disease, 201
clinically significant, 81
differential diagnosis of, 81
with human immunodeficiency virus, 193
longitudinal changes in during pregnancy and postpartum period, 183
maternal (letter), 474
second stage labor nursing care and, 175
persistent, 87
postpartum, 87
Fatigue Symptoms Checklist, modification of, 74
Fetal surveillance, legal issues of, 310
Fetal well-being, with methadone treatment during pregnancy, 615
Fetus
assessment of in maternal phenylketonuria, 227
heart rate of, terminology for (letter), 123
monitoring of (letter), 474
continuous electronic, 409
teaching nursing students to evaluate, 237
surgery on, 427
Fibroids
hormonal agents for, 545
treatment options for, 23
First trimester, factors in health behaviors during, 606
Fluroquinolones, for obstetric, gynecologic, and perinatal infections, 639
Flutamide, in gynecology, 545
Food and Drug Administration, drug prescription authority of, 513

G
Gastric emptying, during labor, 507
Gender differences, in fatigue with chronic obstructive pulmonary disease, 201
Gonadotropin-releasing hormone, in gynecology, 545
Grieving
impact of on family social network, 151
in relinquishing mother after adoption, 395
resolution of after perinatal loss, 274
Gynecologic infections, antimicrobial agents for, 639

H
Haemophilus influenza type B vaccine, 534
Health behaviors
predictors of, 606
psychosocial and demographic factors in, 606
Health care providers, pastoral care for, 137
Heel stick, lack of response to, 587
Hepatitis B vaccine, 534
Heroin use, during pregnancy, 615
High frequency ventilation, in neonatal critical care, 443
Home visits
for breastfeeding at risk newborn, 33
breastfeeding education and support with, 480
Hormonal agents, gynecologic use of, 545
Hospital policy, for reducing perinatal nursing malpractice risk, 291
Human immunodeficiency virus, fatigue in women with, 193
Hydralazine, pharmacology of, 649
Hydration, intravenous, during labor, 507
Hyperprolactinemia, hormonal agents for, 545
Hypertension, pharmacology of drugs for, 649

I
Immunization, for women and infants, 534
Immunologic response, to human semen, 359
Individual variables, in young women's sexual risk perceptions, 60
Indomethacin, uterine motility and, 628
Infant birth weight, physical abuse, social support, self-care and in older adolescents, 377
Infants, immunizations for, 534
Infertility medicine, sociopolitical context of, 331
Influenza vaccine, 534
Information technology, perinatal nursing resources of, 15
Informed consent, in assisted reproduction, 331

Institutional review boards, in informed consent, 331
Internet, perinatal nursing resources on, 15
Interns, assisting, 225
Intervention programs, for adolescent mothers, 51
Intrapartum nurse, communication strategies for, 579
Intrapartum nursing care, nurse labor support versus oxytocin in, 371
Intrapartum setting, risk management in, 310

L
Jewish women, relief of breast engorgement in, 365
K
Kangaroo care
for preterm infants requiring assisted ventilation, 157
very early, rapid recovery with, 94

L
Labor
drugs used during, 628
effects of heavy analgesia and sedation during, 477
fasting during, 507
induction of, 628
maternal fatigue and nursing care for, 175
prolonged, support for versus oxytocin stimulation, 371
prophylactic agents during, 639
second stage, maternal fatigue and, 175
Lactation, drug therapy during, 554
Legal issues
of fetal surveillance and monitoring, 310
in neonatal nursing, 320
for team leader and charge nurse, 300
Leiomyomas, treatment options for, 23
Letters, 13, 123, 355, 474
Liquid ventilation, in neonatal critical care, 443
Loop diuretics, pharmacology of, 649
Loss, pregnancy after (letter), 13, 14

M
Macrolides, for obstetric, gynecologic, and perinatal infections, 639
Magnesium sulfate, uterine motility and, 628
Malpractice litigation
in neonatal nursing, 320
reducing risk of, 300, 320
strategies for reducing risk of, 291
team leaders and charge nurse responsibilities in, 300
Managed care, 11
Marijuana use, in adolescent pregnancy, 623
Maternal fatigue
assessment of, 74
implications of (letter), 474
persistent, 87
second stage labor nursing care and, 175
Maternal mortality, during labor, 507
Maternal Newborn Nurse Professional of Southeastern Michigan, 486
Maternal phenylketonuria, screening for, 227
Maternal satisfaction, perceptions of postpartum stress and, 595
Maternity nursing education (letter), 355
new pedagogy for, 127
Medical records, in reducing malpractice risk, 291
Medications
during breastfeeding, 554
issues in prescribing of, 513
Medroxyprogesterone acetate, in gynecology, 545
Memorial Symptom Assessment Scale, for fatigue with chronic obstructive pulmonary disease, 201
Menstrual cycle, positively reframing perceptions of among women with premenstrual syndrome, 165
Methadone treatment
during breastfeeding, 554
during pregnancy, 615
Methyldopa, pharmacology of, 649
Methylergonovine maleate, uterine motility and, 628
Metronidazole, for obstetric, gynecologic, and perinatal infections, 639
Mifepristone, in gynecology, 545
Minerals, risks and benefits of, 520
Miscarriage, impact of on subsequent pregnancy and self, 274
Misoprostol, uterine motility and, 628
MMR vaccine, 534
Monitoring
fetal, legal issues of, 310
noninvasive and invasive, 433
Mother-infant unit
assessment of for breastfeeding failure, 480
cleaning infant stethoscopes in, 143
Mothers
cord care practices and perceptions of, 501
postpartum stress and satisfaction of, 595
reactions of to relinquishing infant, 395
Myomas, treatment options for, 23
Myomectomy, for uterine myomas, 23

N
Nasogastric tube supplementation, for preterm infants, 264
Neonatal abstinence syndrome, with methadone treatment during pregnancy, 615
Neonatal death, impact of on subsequent pregnancy and self, 274
Neonatal health care workers, pastoral care for, 137
Neonatal infections, antimicrobial agents for, 639
Neonatal intensive care unit, technology impact on, 401
Neonatal nursing, legal issues in, 320
Neonatal respiratory technology, evolution of, 443
Neonatal screening, for phenylketonuria, 227
Neonates
at-risk, strategies to protect, 33
axillary temperature measurements of, 389
birth-related fatigue in, 94
maternal perceptions of cord treatment and healing in, 501
skin care of, 241
technology in critical care of, 443
Nifedipine, uterine motility and, 628
Nitric oxide, in neonatal critical care, 443
Nitrous oxide, effects of use during childbirth, 477
Noninvasive monitoring, technology and, 433
Nonsteroidal anti-inflammatory agents, during breastfeeding, 554
Nonverbal communication, in intrapartum care, 579
Nulliparous women, one-to-one nurse labor support of, 371
Nurse accountability
legal liability and, 300
in neonatal nursing, 320
in reducing malpractice risk, 291
Nurse labor support, one-to-one, 371
Nursing
reducing malpractice risk in, 291
technology in, 433
Nursing education
new pedagogy for, 127
on SIDS risk, 68
Nursing Practice Act, professional accountability and, 300
Nursing shortages (editorial), 473
Nursing students
evaluating electronic fetal monitor tracings, 237
SIDS risk factor awareness among, 68
Nutritional adequacy, vitamins and minerals in, 520

O
Obstetric infections, antimicrobial agents for, 639
Obstetrics, electronic fetal monitoring and litigation in, 310
Ofloxacin, for obstetric, gynecologic, and perinatal infections, 639
Opiates
  effects of use during childbirth, 477
  during pregnancy, 615
Opioid analgesics, during breastfeeding, 554
Oral feeding, transition to in preterm infants, 264
Orphan drugs, prescribing of, 513
Outcomes
  for adolescent mothers, 51
    data and, 433
    early intervention programs and, 51
    methadone effects on, 615
    physical abuse and, 377
    of preterm labor, relaxation therapy in, 255
Over-the-counter drugs, prescribing of, 513
Oxytocin
  in labor stimulation, 371
  uterine motility and, 628

P
Pain medication, effects of use during childbirth, 477
Pain response, in preterm infants, 587
Papanicolaou results, abnormal, coping with, 283
Paradigm change, in analgesia research, 477
Parents
  communication with teens and sexual risk, 60
  perception of skin-to-skin care with preterm infants in, 157
  perinatal loss impact on, 151
Partnership, in managing care, 11
Pastoral care, for perinatal and neonatal health care providers, 137
Patient satisfaction
  communication and, 579
  perception of postpartum stress and, 595
Pediatric immunizations, 534
Penicillin, for obstetric, gynecologic, and perinatal infections, 639
Perimenstrual symptoms, positive perceptions of menstrual cycle and, 165
Perinatal care, family-centered, technology and, 401
Perinatal education consortium, 486
Perinatal health care workers, pastoral care for, 137
Perinatal infections, antimicrobial agents for, 639
Perinatal loss
  family social networks and, 151
  in subsequent pregnancy and self, 274
Perinatal nurses
  learning to evaluate fetal monitor tracings, 237
  reducing malpractice risk of, 291
Perinatal nursing, resources for on Internet, 15
Pertussis vaccine, 534
Phenylketonuria, early detection of, 227
Physical abuse, social support, self-care, and pregnancy outcomes with, 377
Physical activity, postpartum well-being and, 41
Physiologic fatigue, 81
Polio vaccine, 534
Polycystic ovarian syndrome, hormonal agents for, 545
Postpartum period
  consequences of fatigue during, 87
  fatigue and energy changes during, 183
  patient satisfaction and stress during, 595
  well-being and physical activity during, 41
Potassium-sparing diuretics, pharmacology of, 649
Pregnancy
  after neonate loss (letter), 13, 14
  after perinatal loss, 274
  fatigue and energy changes during, 183
  group B streptococcus in (letter), 124
  immunizations during, 534
  methadone treatment during, 615
  monitoring phenylketonuria during, 227
  psychosocial and demographic factors in health behaviors during, 606
  substance use and in adolescents, 623
Pregnancy outcomes
  methadone effects on, 615
  physical abuse, social support, self-care and in older adolescents, 377
Premature birth rates, for adolescent mothers, 51
Premature Infant Pain Profile, 587
Premature ovarian failure, hormonal agents for, 545
Premenstrual syndrome, positive perceptions of menstrual cycle and, 165
Prepidil, uterine motility and, 628
Prescribing, issues of, 513
Preterm infants
  birth-related fatigue in, 94
  breastfeeding support for, 480
  lack of response to heel stick in, 587
  nasogastric tube supplementation for, 264
  requiring assisted ventilation, skin-to-skin care for, 157
Preterm labor
  drugs for, 628
  relaxation therapy and outcomes of, 255
Professional accountability
  legal liability and for team leader and charge nurse, 300
  in reducing malpractice risk, 291
Professional negligence, in neonatal nursing, 320
Professional nursing practice, standards of, 320
Progesterone antagonists, gynecologic use of, 545
Progesterone intrauterine devices, 545
Progestins, gynecologic use of, 545
Prostaglandins, uterine motility and, 628
Psychogenic fatigue, 81
Psychosocial factors. in first trimester health behaviors, 606

Q
Quality of care, management of, 11
Quinolones, for obstetric, gynecologic, and perinatal infections, 639

R
Radioactive compounds, during breastfeeding, 554
Radiocontrast agents, during breastfeeding, 554
Raloxifene, in gynecology, 545
Rapport, establishing, 579
Relationship variables, in young women's sexual risk perceptions, 60
Relaxation therapy, in preterm labor outcome, 255
Religious practices, relief of breast engorgement and, 365
Reproduction, assisted, 331
Resources
  Internet, 15
  perinatal education and utilization of, 486
Respiratory compromise, neonatal respiratory technology for, 443
Risk
  reduction of, 320
  variables in perception of, 60
Risk factors
  management of in intrapartum setting, 310
  in sudden infant death syndrome, 68

Ritodrine, uterine motility and, 628
Robotics, in nursing, 433

S
Screening, phenylketonuria, 227
Sedatives
during breastfeeding, 554
effects of during childbirth, 477
Self-care, pregnancy outcomes and in older adolescents, 377
Semen, immunologic response to,
Seminal plasma protein allergy, diagnosis of, 359
Serotonin reuptake inhibitors, during breastfeeding, 554
Sex steroid hormones, in gynecology, 545
Sexual behavior
drug use and, 623
of teenage mothers, 493
Sexual partner characteristics, in sexual risk perception, 60
Sexual risk, young women's perceptions of, 60
Skin
anatomy and physiology of, 241
breakdown of, 241
neonatal, care of, 241
Skin-to-skin care
with preterm infants requiring assisted ventilation, 157
very early, 94
Social support
for abnormal Papanicolaou results, 283
perinatal loss impact on, 151
positive perceptions of menstrual cycle and, 165
pregnancy outcomes and in older adolescents, 377
Solid pelvic tumors, treatment options for, 23
Spirituality, in maternity nursing education, 127
Staff nurses, legal issues for, 320
Stethoscopes
cleaning methods for, 143
organic buildup and residual blood on, 143
Stillbirth, impact of on subsequent pregnancy and self, 274
Streptococcus, group B infection
antimicrobial agents for, 639
treatment of pregnant women with (letter), 124
Stress, postpartum, 595
Substance use, in adolescent pregnancy, 623
Suck mechanism, in preterm infants, 264
Sudden infant death syndrome, risk factor awareness in, 68
Sulfonamides, for obstetric, gynecologic, and perinatal infections, 639
Support, for high-risk mothers and infants, 480
Surfactant, exogenous, in neonatal critical care, 443
Surgical interventions
fetal, 427
for uterine myomas, 23

T
Tamoxifen, in gynecology, 545
Team leader, professional accountability and legal liability of, 300
Technology
in family-centered perinatal care, 401
learning curve for, 443
nurses and, 433
Teenage mothers, unprotected sex among, 493
Telemedicine, 433
Terbutaline, uterine motility and, 628
Tetanus toxoid, 534
Tetracyclines, for obstetric, gynecologic, and perinatal infections, 639
Therapeutic communication, techniques of, 579
Thermometer, electronic, predictive and monitor modes of, 389
Thermoregulation, neonatal, 389
Thiazides, pharmacology of, 649
Tocolytics, uterine motility and, 628
Trimethoprim, for obstetric, gynecologic, and perinatal infections, 639
Trimethoprim-sulfamethoxazole, for obstetric, gynecologic, and perinatal infections, 639
Turbulence, coping with in nursing education, 127

U
Umbilical cord care, maternal perceptions and, 501
Unlicensed assistive personnel, reducing malpractice risk with, 291
Unprotected sex
drug use and, 623
factors influencing participation in, 493
Uterine bleeding, dysfunctional, 545
Uterotropins, uterine motility and, 628
Uterus
drugs and motility of, 628
myomas of, treatment options for, 23

V
Vaccines
during breastfeeding, 554
for women and infants, 534
Values, sexual behavior and, 493
Varicella vaccine, 534
Vasodilators, pharmacology of, 649
Ventilation, in neonatal critical care, 44
Vitamins, risks and benefits of, 520

W
Woman-centered care, in maternity nursing education, 127
Women
fatigue incidence among, 81
immunizations for, 534
World Wide Web, perinatal nursing resources on, 15
